Report of Principal and School Improvement Council

Crowders Creek Elementary School strives to be a child-centered school focused on excellence. We believe the purpose of school is to design meaningful experiences where students acquire knowledge and skills to successfully explore the challenges of today and tomorrow. In our PK-5 elementary school of 1100 students, we encourage students daily to seek opportunities to learn. Integration across the curriculum areas allows students to experience real-world relevance in the classroom. School activities such as chorus, TV news crew, Lego Robotics club, media center helpers, and safety patrol provide students with opportunities to use knowledge meaningfully.

We believe the responsibility of leaders is to provide the time, resources, and collaborative environment that promote continuous improvement. Our school has been the recipient of 11 consecutive Palmetto Gold Awards. Instruction is differentiated to meet varying student needs and abilities. Common planning time is provided to teachers in order to plan engaging lessons and develop common assessments. School funds and PTA funds are used to provide all necessary materials so that teachers have the necessary tools to target each child's academic needs. Technology upgrades include the preparing for our one to one initiative.

We believe the focus of educators is to design engaging, meaningful work for all students and ensure that they learn to their highest potential. Teachers plan engaging lessons to challenge students. Our faculty attends professional development opportunities. Teachers are represented on district subject area vertical alignment committees. Staff members are recognized for good attendance and professional milestones.

We believe the role of the school, parents and community is to create a safe and supportive environment for all students to learn and thrive. There is open communication with parents to focus on areas of strength as well as improvement. Local churches, civic groups, and community members provide support through donations and through time spent mentoring students. Volunteers engage in tasks such as assisting teachers and tutoring students. Parents and the community are involved in Veterans Day, field day, Dad's Club, the Backpack Program and the Storytelling Festival. Teachers, school counselors, and parents collaborate in ways to foster healthy student growth and development through character lessons and activities as well as parent/family workshops. Students are recognized for their hard work and good character through our SOAR program.

The mission of the Clover Schools is to prepare each child for a successful and productive future. At Crowders Creek Elementary School, we endeavor each day to create a learning community that promotes successful achievement for our students while encouraging each child to SOAR!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	92
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Crowders Creek Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
